

- **Self-Contained Power Supply and Charger**
- **Approved to EN-54-4 and EN12101-10**
- **Lockable Enclosure**
- **Surge Protection Technology**
- **Short Circuit Protection**
- **Overload Protection**
- **Oversupply Protection**
- **Tamper Switch Capability**
- **LED PSU Status Indication**

## 24V Power Supply Unit

The Pulsar EN54C-10A power supply and charger is a lightweight, high efficiency unit, compliant and third party tested to the latest version of EN 54-4 for use with Protec's range of 24 Volt DC equipment.

The unit provides a 24 V (nominal) output from a 230 V mains input and automatically switches to a standby battery supply should the mains supply fail. Under normal conditions, the standby batteries are intelligently charged and monitored to ensure that, should they be needed, they are in optimal condition.

# Technical Specification

<b>Rated voltage (AC)</b>	~230 V
<b>Rated frequency</b>	50Hz
<b>Maximum quiescent load</b>	8.2 A (for continuous operation) [EN54-4 I max. a]
<b>Maximum alarm load</b>	10 A (intermittent operation, only when batteries are fully charged) [EN54-4 I max. b]
<b>Ingress protection</b>	IP30
<b>Ambient temperature limits</b>	-5°C to +40°C
<b>Humidity limit</b>	95% Relative Humidity (no condensation or icing)
<b>Output voltage range (DC)</b>	22.0 V to 27.6 V DC – Buffer Operation 20.0 V to 27.6 V DC – Battery Assisted Operation
<b>Compatible battery types</b>	Yucel 12 V SLA battery (2 in series). For suitable capacity see compatible battery types table below
<b>Battery charging current</b>	1.8 A
<b>Battery monitoring</b>	SCP, OLP, OVP, UVP, Tamper
<b>Fault relay contact</b>	1 A @ 30 V DC / 50 V AC
<b>Cabinet material / finish</b>	Steel plate DC01 1.2mm, Colour: RAL7016 (Grey)

## Order codes

Sales code	Supplied batteries (12 V)	Order code(s)
EN54C-10A17	2 X 17Ah	67-800-00 + N 13-135-31YU x 2
EN54C-10A24	2 x 24 Ah	67-800-00 + N 13-140-28YU x 2
EN54C-10A38	2 x 38 Ah	67-800-00 + N 13-145-33YU x 2

## Compatible battery types

Capacity	Order code
17 Ah	N 13-135-31YU
24 Ah	N 13-140-28YU
38 Ah	N 13-145-33YU
