

Protec Aspirating Systems Reference Projects Portfolio

Issue 0

This Aspiring Detection System Project Reference information is provided as general information only. The listed projects have been recorded over a number of years by Protec Fire Detection UK and a number of our global partners to share reference project information. The list identifies a number of different Protec aspiring detectors including Cloud Chamber only 'Fire' detectors, Optical only 'Smoke' detectors and combined Cloud Chamber and Optical 'Fire & Smoke' detectors.
