

## **Use of Protec Drawings**

This drawing has been provided for illustration purposes only. The Company accepts no liability for the use of this document and/or the design of the system unless the installation of the system has been fully certified by the Company under contract. These drawings and/or designs must only be used for their intended purpose; liability will not be accepted by the Company if they are changed in any way.

All Intellectual Property Rights subsisting in or relating in any way to any drawings, reports, specifications and other similar documents provided or prepared by the Company, whether in hard copy or electronic form and all Know-how embodied in, or used in connection with, any of the foregoing are and shall remain vested in and the sole property of the Company. No part of these Intellectual Property Rights or Know-how may be copied, reproduced, modified or adapted or used by others without an express licence from the Company in writing as part of a contract with the Company. It is conditional that these drawings are supplied as an aid to fulfilling a contract or establishing an actual or future contract for the benefit of the Company. Use of these documents other than for this purpose is deemed to infringe these Intellectual Property Rights for which the User is liable to the Company for damages and all other costs incurred by the Company as a result of such infringement.

Such rights and any contract of which they form part shall be governed and construed in accordance with English Law in using these documents the Company and the User agree to submit to the non-exclusive jurisdiction of the English Courts.
