

## Stainless Steel Extinguishers

- Ideal for environments where hygiene is paramount and when considering architecture
- Highly polished surface finish
- Corrosion resistant construction
- Simple squeeze grip operation
- Controllable discharge assures efficient use of contents and minimises clean-up
- All extinguishers are re-chargeable
- CE marked

Water/Foam - Stored Pressure

In situations where interior design and/or hygiene are important considerations this range is an ideal solution. The highly polished surface keeps any interior looking modern without compromising safety and can be regularly cleaned as the metal does not corrode.
